Food Donation Program, October 1, 2025

The Rotary Club of Pashupati Kathmandu conducted a food donation program at the Disabled Association in Bungmati, Lalitpur. This initiative was organized to mark the major Nepalese festive season, ensuring that vulnerable members of the community could celebrate with dignity and adequate nutrition.

The club focused on supporting a specialized shelter to ensure the well-being of its residents during the holidays:

- **Festive Support:** The program was specifically timed to coincide with the "big Nepalese festival" to provide holiday cheer.
- **Nutritional Aid:** A variety of food supplies and essential provisions were donated to the association.

Community Solidarity: Members of the club visited the shelter in Bungmati to personally oversee the distribution and engage with the beneficiaries.

The donation directly benefited 56 children with disabilities, providing the shelter with necessary food resources to sustain them through the festive period.
